

Fairview Government Study Commission Final Report, April 7, 2016

To the Citizens of the Town of Fairview:

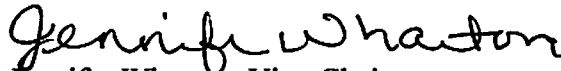

The Fairview Study Commission appointed by our local government present this final report.

The purpose of the study commission, as defined in state law, is to study the existing form and powers of our current government and the procedures for delivery of services and compare them with other forms available under state laws. If some change is deemed necessary, the study commission may submit such proposed change to the electors.

As a result of our discussions and research, we find the position of Treasurer, need not be elected. It is an appointed, combined position with Town Clerk. (Reference Montana Code Annotated 7-4-4102, 4103, 4105, 4106 and Fairview Local Ordinance 2.120010) It will no longer be on the ballot. After discussions at two public hearings, this study commission has concluded that there is a general consensus that the existing form of government has served this town well and will continue to do so in the future. No other changes are recommended.
